**Friilly Frocks** is not an ordinary Consignment Store. Our goal is to offer our customers new & gently used designer label clothing at significant savings. We are diligent in choosing our consigned items to meet our high standard of excellence; therefore, we reserve the right to refuse certain store brands, no matter their condition. Discerning shoppers will shop at Friilly Frocks with confidence, knowing our merchandise is in pristine condition. This list is not all-inclusive and may not represent all of the brands we do not accept. Friilly Frocks accepts brands from better department stores like Macy's, Nordstrom and Saks 5th Ave.
