**Filly Frocks & Polliwogs** is not your ordinary Consignment Shop. Our goal is to offer our customers new & gently used designer label clothing at significant savings. We must be diligent in choosing our consigned items to meet this standard of excellence; therefore, we reserve the right to refuse certain store brands, no matter their condition. Our consignors will benefit from our policy because their items will be showcased with other fine quality items. Discerning shoppers will shop at Frilly Frocks & Polliwogs with confidence, knowing our merchandise is in pristine condition.
